

Agnetha F, I Won't Let You Go

Some girls want to play with you
Doing things that they really can't do.
They think that love is a game to play
They ought to know that I get my way.
They look at you with starry eyes
Very soon they all realize.
Play with fire and your fingers burn.
I wanna tell them they never learn.
I won't let you go, no, no, no
I'll never let go oh baby you know:
There's a special kind of love
There's something magic when we touch.
I won't let you go, no, no, no
I'll never let go, I just couldn't hide.
All the love I feel inside
I want you with me by my side
By my side.
I never dreamed I would stay with you
Just one look and I knew you were true.
One more day and I woke up to find
I couldn't think you were on my mind.
I can't believe those other guys
Hanging round with that look in their eyes.
They'll never know what I'll get from you
I wanna tell them I never do.
I won't let you go, no, no, no
I'll never let go oh baby you know:
There's a special kind of love
There's something magic when we touch.
I won't let you go, no, no, no
I'll never let go, I just couldn't hide.
All the love I feel inside
I want you with me by my side
By my side, by my side.
Play with fire and your fingers burn
I wanna tell them they never learn.
I won't let you go, no, no, no
I'll never let go oh baby you know:
There's a special kind of love
There's something magic when we touch.
I won't let you go, no, no, no
I'll never let go, I just couldn't hide.
All the love I feel inside
I want you with me by my side
I won't let you go.
