

Agnetha Fältskog, Where Do We Go From Here?

Agnetha Fältskog prezentuje nową piosenkę "Where Do We Go From Here?". To pierwsza zapowiedź (premiera 13 października 2023 r.).

Outside I'm cold but I'm burning inside
Impossible, crazy
Like snow in July
People keep talking, they keep passing by
The world could be ending
I wouldn't care why

What if
You could be the one that I'll remember
When I'm old and grey and looking back at life
What if
I just stumbled into my forever
Kiss me back to life
Cause I can't breathe

Feels like I'm drowning
Don't let me go now
Please hold me closer
Feels like I'm falling
Into emotions
I've never felt before
So now, what
Where do we go from here
So now, what
Where do we go from here

I thought I carried a heart made of steel
But you cracked it open, yeah you broke the seal
So kiss me again now, and promise we'll last
Cause I'm tired of waiting, I'm done the past
