

# AGNEZ MO, Long As I Get Paid

Bumping heart  
it's so hurt  
player part  
goes in the corner maybe  
I'm there lie  
it's so hurt  
player part  
goes in the corner maybe  
I'm there lie  
in the dark  
breaking heart  
spring it faking diamond maybe

I've been around  
now I didn't need you  
I ain't gonna way for nobody's permission  
must say I'm rude  
my some me can see me  
don't care my name in your mother's line as I get paid
