

AGNEZ MO, Long As I Get Paid

Bumping heart
it's so hurt
player part
goes in the corner maybe
I'm there lie
it's so hurt
player part
goes in the corner maybe
I'm there lie
in the dark
breaking heart
spring it faking diamond maybe

I've been around
now I didn't need you
I ain't gonna way for nobody's permission
must say I'm rude
my some me can see me
don't care my name in your mother's ling as I get paid
