

Agnieszka Wiechnik, A Liar

like a coffee in the bad day
without you the whole world us great
I will follow us still making me say

you're gone
but I'm not afraid
I can sleep in empty bed
I will do this all I have done
since you left

but you're a liar
I just wanna feel so much upon it
you gave me
few bitter tears
but you're a liar
it's hard time to pull off the wire
coz I got .. dreams

why were you treating me like that
why were you making me so sad
your sweet whisper, smiling, kisses would be great

you're a .. till the end
being family
but remember
want you give me you will there

but you're a liar
I just wanna feel so much upon it
you gave me
few bitter tears
but you're a liar
it's hard time to pull off the wire
coz I got .. dreams

now I am so ...
I am full of hate
I should go alone
follow my fame
now I am so strong
I don't really care

but you're a liar
you're a liar

but you're a liar
it's hard time to pull off the wire
coz I got .. dreams
