

Agression, Dear John Letter

now

baby don't you write me no dear john letter

don't you think i deserve a little better

well the first time that i saw you i knew i had to get you

but i didn't know that i would be your babysitter

cuz you loved me just like you wrote the book

a look and a promise was all that it took

you didn't really see me i guess you didn't look

i can always tell when i've been let off the hook
