

# Agressor, God From The Sky

[Music & Lyrics : Alex COLIN-TOCQUAINE]

Ancient tales relate  
Very strange facts  
Far in the past  
People have seen

Chariot of fire  
Enlighting the sky  
People from stars  
Land

Investigations  
Through planet earth  
To find the truth  
Of incredible sights  
Fear of authorities  
Deny access  
To informations  
Because it 'll change our way of life

Chariot of fire  
Or flying saucers  
A twisted vision  
Or maybe they are  
God from the sky

[Lead: Alex COLIN-TOCQUAINE]

Ancient breed, spacemen, hallucination, a twisted vision  
Chariot of fire, flying saucers, people from star,  
Or maybe they are  
God from the sky
