Miscellaneous

Don't Make Me Love You

Don't make me love you 'til I'm ready

Don't make me give you more than my kisses

I need you to go slow and steady

Don't make me love you 'til I'm ready

Oh, why you wanna rush into my life

Don't you wanna stop and get to know me better

We got all the time in the world tonight

And if we're meant to be we'll be together, hmm

Stay around just slow it down

'Til we find out if we got what it takes

Don't make me love you 'til I'm ready

Don't make me give you more than my kisses

I need you to go slow and steady

Don't make me love you 'til I'm ready

Everything I know about you so far

Makes me believe that you're the one for me

But there's still a lot that's on my mind

And I need time before we go further

Don't you see?

So hold me, hold me

But don't be thinking I don't want you too

Don't make me love you 'til I'm ready

Don't make me give you more than my kisses

I need you to go slow and steady

Don't make me love you 'til I'm ready

Don't make me love you 'til I'm ready

Don't make me give you more than my kisses

I need you to go slow and steady

Don't make me love you 'til I'm ready

It's been a little bit of a mystery

Let's wait 'til we have a bit of history

Behind ourselves ooh yeah

You don't got to be in such a rush

We can live for the moment if we trust

We'll be right here tomorrow, oh yeah

Don't make me love you, love you

Don't make me give you, uh, uh

I need you to go ooh yeah

Don't make me love you, uh, uh, oh yeah

Don't make me love you 'til I'm ready

Don't make me give you more than my kisses

I need you to go slow and steady

Don't make me love you 'til I'm ready
