

# Airway Lanes, Ships Are Sinking

Don't want you to see me in the state I'm in  
Don't want you to know exactly where I've been  
Know I'll be feeling better in a day or two  
Then I'm coming 'round to make it up to you

Somebody said the future is brighter  
Somebody says with a glint in their eye

Don't want you thinking I'm holding on too tight  
Don't want you to think that I'll be out all night  
I'm old enough to know that nothing comes for free  
All I really want is you next to me

Nobody likes to be left in the darkness  
Nobody likes to be pushed to the side

Everybody knows why the ships are sinking  
Down and out of towners are everywhere  
And tell why it's got me thinking  
Everyone's laughing and no one cares

Don't want you to see me in the state I'm in  
(repeated x9)

Tell me why  
Tell me why the ships are sinking  
Down and out of towners are everywhere  
Tell me why it's got me thinking  
Tell me why everyone's laughing and no one cares

Ships are sinking  
Everywhere  
It's got me thinking  
Everyone's laughing and no one cares
