

Aisha, Mr. Right

Intro:

Cinderella looking for the right fella
Snow white looking for Mr. Right

Verse 1:

All my life
I've believed
There's someone out there
God has for me
And someone
God has me for
In a matter of time
He'll be at my door
Our love would be true
A man for who
I'd fall deeply in love
What I've always dreamed of
Everything I want in a man
According to God's plan

Chorus:

Cinderella looking for the right fella
Snow white looking for Mr. Right
That only happens in the books
The real thing isn't as easy as it looks
He will be
The man for me
Mr. right
Come into my life

Verse 2:

I wonder what it would be like
If I met Mr. Right
If God grants me life
And I became his wife

Will I know when we meet
Will he sweep me off my feet
Not on a whim
Will I know it's him

Repeat chorus

Rap:

I'm talking to you
In what you're going through
You think you do
But you don't know who
You want a man with a plan
To take you by the hand
And be everything you've wanted in a man
You're not gonna meet Mr. Right
in the club down the street
So stop wasting your time being indiscreet
It doesn't matter
If he's rich or poor
This is what I'm looking for
Money doesn't matter as far as I see
Love is what matters to me

He could own the business
Or work on staff
I'm looking for someone that will make me laugh
Someone with good judgment
But how good could his judgment be
If he's dating me
(I'm kidding)

Bridge:

He's got to be
The one for me

Repeat chorus
