

# Aitch, Baby (Ashanti)

You know I got it baby what do you want?  
You know I got it baby what do you need?  
She like  
She say  
She like  
She like

You know I got it baby what do you want?  
You know I got it baby what do you need?  
She like  
She like

Yo,  
I don't only love her for the sex  
But I swear to God, I love it when she says  
She know that she fucking with the best  
Thinking she an angel till I put her on the bed

Gotta chase this money baby nuttin to be said  
I ain't having no distractions when I'm running up a cheque  
Every time I leave the crib I got you looking at me stressed,  
but as soon as I'm home...

Face down ass up cock it right back baby how you not a model with a body like that?  
Oh god when she top me she the top of my class  
when we fuck imma copyright that  
I be on a vibe  
Money to the side, I'm just tryna live my life  
I can't even leave without her giving me the eyes  
Babe it ain't my fault I gotta focus on what's mine  
Take it easy give me time  
Yeah

You know I got it baby what do you want  
You know I got it baby what do you need?  
She like  
She like  
Yeah  
You know I got baby what do you want?  
You can have it if you rolling with me  
She like

She want kids I want cribs in the sticks  
Girl boujee, she ain't tryna wait til Christmas for gifts  
If I left would she miss me a bit?  
Is she riding my wave is she sinking my ship?  
Tough love yeah it literally is,  
and I know you get pissed when you're thinking of it  
But we can still get that bling on your wrist  
She like

Yo,  
Now I'm zoned out start to go mental,  
I can't mix my love with my schedule  
Always asking why I'm never home I just said I gotta push my potential  
Wake up looking sexy and she stunning when she pose,  
close to perfect when your naked and your curvy in the clothes  
Get the Lamborghini white, I paint the urus like her toes,  
ain't no other brudda got her this certi and she knows

You know I got it baby what do you want?  
You know I got it baby what do you need?
