

# Aitch, I'm Gone (feat. Lisa Murdoch)

(If you wanna be with a)  
(You have got to know how to)

If you want to be with a girl like me  
You have got to know how to keep it real  
You got to keep a G, (yay)  
You better know the deal (oh no)  
Cause if this the last day  
Skr skr I'm gone  
I'm gone

Gone  
And I don't know when I'll be coming back  
She don't like it when I'm out and I be lovin that  
I don't know how we met I think it started with a double tap  
I like to go behind her and she knows what I be lookin at (jheez)  
You know I like it when you vibe to my tunes  
I can tell when you like it when I vibe with you too  
Tell her back it up slow watch me lighten your mood  
Then I'm back to the show watch me light up the room (ey)  
I like to be alone when I'm writing a tune but  
When I'm with you you give me life in the booth  
So, you got my brain all types of confused  
Cause you got me doing things I'm not usually used to  
But I swear shes looking stunning  
Shes taking pics and shes tryna get her bum in  
She told me that shes on it but shes bluffing  
Shes fucking with my pipe but she knows nothing bout plumbing

If you want to be with a girl like me  
You have got to know how to keep it real  
You got to keep a G, (yay)  
You better know the deal (oh no)  
Cause if this the last day  
Skr skr I'm gone  
I'm gone

Yo  
I'm like why you always moaning  
Chewing off my ear always asking who I'm phoning  
One day your pissed off then the next day your joking  
Your always at my neck I'm surprised I'm not choking  
Don't get me wrong I like being in your company  
Especially when your doing that  
When you bend your back  
But I'd rather be all on my john stones  
And why you getting so defensive like a centre back  
It don't matter you won't get the joke  
Don't say your gonna block me cause I bet you won't  
Your always sayin why you texting other girls  
I said I don't do that but everytime your like I bet you don't  
And why you always moody tho  
Blowing up my phone I'm the studio  
I need a little space I got things to do  
I'm tryna think about bars but you want me to think of you

If you want to be with a girl like me  
You have got to know how to keep it real  
You got to keep a G, (yay)  
You better know the deal (oh no)  
Cause if this the last day  
Skr skr I'm gone
