

AJR, I Won't

Hello, how you doin'? Am I talkin' too fast?
I'm runnin' on adrenaline and one-hour naps
'Cause I do what you tell me to and do it to death
Do it death (Yeah-eah-eah)

Acapulco, Tel Aviv or maybe Japan
And pretty people yell at me to follow the dance
So I do what you tell me to and do it to death
But I can't do this shit again

Put your hands up 'cause I won't (Right on time)
Raise a glass up 'cause I won't (My, oh, my)
Get your ass up 'cause I won't
I must've missed the hype
But maybe that's the way I feel
Put your hands up 'cause I won't (Right on time)
I'm not here 'cause you say so (My, oh, my)
Get your ass up 'cause I won't
I must've missed the hype
But maybe that's the way I feel
That's the way I feel

(I don't, I don't, I don't)
I don't got a body like I see in the press
So I got to the precipice of pressing my chest
And now I look impressive with a couple of pecs
Just like my friends

So welcome back and take a breath
You've come to life, you're bored to death
So welcome back and take a breath
You've come to life but I digress

Put your hands up 'cause I won't (Right on time)
Raise a glass up 'cause I won't (My, oh, my)
Get your ass up 'cause I won't
I must've missed the hype
But maybe that's the way I feel
Put your hands up 'cause I won't (Right on time)
