Akins Rhett, She Said Yes

Akins Rhett Miscellaneous She Said Yes He never had given much thought to dancin' But she gave a lot of thought to bein' asked Well he'd never been good At comin' right on out and askin' And she'd never been given the chance

But somethin' moved accross that ol' gym floor When fear was holdin' fast And to his surprise The words came at last

And she said yes To his half-hearted request And they held on for dear life 'Til the last song played They won't let go It's beyond their control They lit a flame with a match God had made When she said yes

From that night on the fire was burnin' And they sure did shine in it's light And he knew as long As this ol' world kept turnin' He wanted her by his side

So with a ring and a nervous smile And some lines that he'd rehearsed He said the sweetest words That she'd ever heard

And she said yes To his whole-hearted request And they'll hold on for dear life 'Til the last stars fade No, they won't let go It's beyond their control They lit a flame with a match God had made When she said yes
