## Akissforjersey, Salus Suas Extanderealas Conce

Condemned to a bed Where you held your head High enough to smile I wish I had your strength Asking God, "Please don't take her away from me." "God where were you when I needed you the most? She lived her life with grace And I'll live my life with love for You." I knew him well He would have gave his life for me He laid in a hallway I found salvation perfectly Your death was my grace You led me back to faith I hope he knows that he took that weight away I hope he knows that he took my pain away Hear my cry, Oh God I call as my heart grows faint Hear my cry, Oh God I call as my heart grows faint Hear my cry, Oh God I call as my heart grows faint Hear my cry, Oh God I call as my heart grows faint
