

Akon, Be With You

eh eh eh eh eh
Ohhhhhh

I know they wanna come and separate us but they can't do us nothin
Your the one I want and Im a continue lovin
Cause your considered wify and Im considered husband
And Im a always be there for you
And either way you look at it I aint goin no where from my muffin
Cause she gonna hold it down, cant no body tell her nothin
You got the kind of love that always make up after fussin
And thats what gets me closer to you

And no one knows
Why Im into you
Cause you'll never know what its like to walk in our shoes
And no one know, the things we've been through
Can never measure up to half of what I put you through
Thats why we'll break through

And I dont care what they say
Im gonna be with you
Im gonna be with you
I wanna be with you
And I dont care what they do
Im gonna be with you
Im gonna be with you
Im gonna be with you

Seems like every day that go by things are gettin harder
Want to be the one that give you the whole enchilada
Cause I know what my baby like, I lean you on that Prada
You aint got to match with the shoes
All about knowing you Im into doing things to keep her longer
Stickin together forever, watch you grow stronger
Thats the way it has to be, everything problem
Keepin it always true

And no one knows
What Im into you
Cause you'll never know what its like to walk in our shoes
And no one know, the things we've been through
Can never measure up to half of what I put you through
Thats why we'll break through

And I dont care what they say
Im gonna be with you
Im gonna be with you
I wanna be with you
And I dont care what they do
Im gonna be with you
Im gonna be with you
Im gonna be with you

You are everything in my life see the joy you bring
And aint no one I compare you to
And I know that you will never walk away from me no matter what
And thats why I plan to do the same thing for you
And I want you to know

And I dont care what they say
Im gonna be with you
Im gonna be with you
I wanna be with you
And I dont care what they do

Im gonna be with you
Im gonna be with you
Im gonna be with you

And I dont care what they say
Im gonna be with you
Im gonna be with you
I wanna be with you
And I dont care what they do
Im gonna be with you
Im gonna be with you
Im gonna be with you
