

Akon, Blame me on it

As life goes on, Im starting to learn more and more about responsibility.
And I realize that everything I do is affecting the people around me.
So I want to take this time out to apologize for things that Ive done,
things that havent occurred yet,
and things that they dont want to take responsibility for.

Im sorry for the times that I left you home
I was on the road and you were alone
Im sorry for the times that I had to go
Im sorry for the fact that I did not know
That you were sitting home just wishing we
Could go back to when it was just you and me
Im sorry for the times I would neglect
Im sorry for the times I disrespect
Im sorry for the wrong things that Ive done
Im sorry Im not always there for my sons
Im sorry for the fact that Im not aware
That you can't sleep at night when I am not there
Because Im in the streets like everyday
Im sorry for the things that I did not say
And how you are the best thing in my world
And how Im so proud to call you my girl

Chrous:

I understand that theres some problems
And Im not too blind to know
All the pain you kept inside you
Even though you might not show
If I can't apologize for being wrong
Then its just a shame on me
(Id be the reason for your pain) or (Ill be the reason for your pain)
And you can put the blame on me
you can put the blame on me
you can put the blame on me
you can put the blame on me
you can put the blame on me
said, you can put the blame on me
said, you can put the blame on me
said, you can put the blame on me
you can put the blame on me
Im sorry for the things daddy put you through
And all the times you didnt know what to do
Im sorry that you had to go and sell those bags
Just trying to stay busy until you heard from Dad
When you would rather be home with all your kids
As one big family with love and bliss
And even though pops treated us like kings
He got a second wife and you didnt agree
He got up and left you there all alone
Im sorry that you had to do it on your own
Im sorry that I went and added to your grief
Im sorry that your son was once a thief

Im sorry that I grew up way to fast
I wish I would of listened and not be so bad
Im sorry that your life turned out this way
Im sorry that the feds came and took me away

Chrous:

I understand that theres some problems
And Im not too blind to know
All the pain you kept inside you
Even though you might not show
If I can't apologize for being wrong
Then its just a shame on me
(Id be the reason for your pain) or (Ill be the reason for your pain)
And you can put the blame on me

you can put the blame on me
you can put the blame on me
you can put the blame on me
you can put the blame on me
said, you can put the blame on me
said, you can put the blame on me
said, you can put the blame on me
you can put the blame on me
Im sorry that it took so long to see
What they did wrong, trying to put it on me
Im sorry that it took so long to speak
But I was on tour with Gwen Stefani
Im sorry for the hand that she was dealt
And for the embarrassment that she felt
Shes just a little young girl tryin to have fun
But daddy should of never let her out that young
Im sorry for Club Zen getting shut down
I hope they manage better next time around
How was I to know she was underage
In a 21 and older club they say
Why doesnt anybody want to take blame
Verizon backed out, disgracing my name
Im just a singer trying to entertain
Because I love my fans, Ill take that blame
Even though the blames on you
Even though the blames on you
Even though the blames on you
Ill take that blame from you
And you can put that blame on me
And you can put that blame on me
you can put that blame on me
you can put that blame on me
And you can put that blame on me
And you can put that blame on me
