

Akon, Cry out of Joy

You will, be missed, by all your fans
I cleared, my fears, but this' so hard to withstand
If I had the power to change one thing, it'a bring you back today
But life's not promissed and that won't change, im'a meet you there some day
In this lifetime I wanna thank you, for showing me the man in the mirror
In this lifetime I wanna thank you, you motivated the world to deliver

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

There's so much joy in our heart

Oh I wish, the world could see you the way I did

And I wish, they witnessed how a wonderful dad you were to all your kids

And I noticed it didn't stop there, save your children was one of your goals

Just donated all of your millions, so they could one day rule the world

In this lifetime I wanna thank you, for showing me the man in the mirror

In this lifetime I wanna thank you, you motivated the world to deliver

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

There's so much joy in our heart

One word for the media, ?people see the love

Stop this carbbage ?, show him ?

Remember there was more to come, remember he's the chosen one

Remember ?, remember ? what he's done

In this lifetime I wanna thank you, for showing me the man in the mirror

In this lifetime I wanna thank you, you motivated the world to deliver

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

We cry out of joy

There's so much joy in our heart
