## Akon, Ghetto Gospel (Remix)

Uhh, Hit them with a lil' ghetto gospel Yeah! Ma Ghetto Gospel!

Ghetto, Ghetto, Ghetto we livin'

(2Pac)

If I could recollect before my hood days

I'd sit and reminisce, nigga and bliss on the good days

I stop and stare at the younger, my heart goes to 'em

They tested, it was stressed that they under

We never really went threw that coz we was born B.C u n me b4 crack

In our days, things changed

Everyone's ashamed to the youth 'cause the truth looks strange

And for me it's reversed, we left them a world that's cursed, and it hurts

cause any day they'll push the button

and y'all condemned like Malcolm x and Bobby Hunton, died for nothin

Don't them let me get teary, the world looks dreary

but when you wipe your eyes, see it clearly

there's no need for you to fear me

if you take the time to hear me, maybe you can learn to cheer me

it ain't about black or white, 'cause we're human

I hope we see the light before its ruined

my ghetto gospel

(Akon)

Whoever said that this struggle would stop today

a lot of niggas dead or locked away

Teenage Women growing up with aids

Cause that's the life when your

Living in the (ghetto)

Or eating in the (ghetto)

Or sleeping in the (ghetto, ghetto)

That's the life when your

Living in the (ghetto)

Or eating in the (ghetto)

Or sleeping in the (ghetto, ghetto, ghetto)

## (2Pac)

Tell me do you see that old lady ain't it sad

Living out a bag, but she's glad for the little things she has

And over there there's a lady, crack got her crazy

Guess she's given birth to a baby

I don't trip and let it fade me, from outta the frying pan

We jump into another form of slavery

Even now I keep discouraged

Wonder if they take it all back while I still keep the courage

I refuse to be a role model

I set goals, take control, drink out my own bottle

I make mistakes, I learn from everyone

And when its said and done

I bet this brotha be a better one

If I'm upset, you don't stress

Never forget, that God hasn't finished with me yet

I feel his hand on my brain

When I write rhymes, I go blind, and let the lord do his thang

But am I less holy

'cause I choose to puff a blunt and drink a beer with my homies

Before we find world peace

We gotta find peace in that war on the streets

My ghetto gospel
