

Akon, Keep On Callin'

You know.

Check

Its Akon man, my man P, its the magic city baby.

Yo I think we got one on this one

So all them haters, wanna scream our name,
Let them keep on calling.
And they wont support us before, and they wanna scream
Now let them keep on calling, we just goin let them keep on
Calling, baby, just keep calling, so keep on calling.

And for our supporters, you all can just keep calling as long
As you want...keep on calling.

I use to be a born a cornera all day, tryin' figure out what's
Goin get me out there, dope filling and hugging the block, I
Got them found out thing goin get me no where. Used to keep
A nine milli for protection, just in case a nigger wanna take
My bred, then a voice came down from the sky and
Said Akon use your head.

Had to reevaluate my thoughts, and think about what got
Me this far, this far, had to keep a strong faith and believing,
Know one day Id be a star, a star. But I knew that it wouldnt
Come easy, come easy, seen a hole lot a hate and believe
Meh, believe meh, despite all the bull shit, we had to still
Work hard, to get to where we are.

[CHORUS]

So, when you hear them calling out Akon, let them keep on
Calling, when you hear the world calling out P-Money, let them
Keep on calling, 'cause we went through hell n back to get
Here, so keep on calling, let me hear ya now, let me hear ya
Now, let me hear just keep on calling.

Senegal, West Africa, to New Zealand, New Zealand, bless
The heart to give to make music with meaning, with meaning.
Cause I never thought Id come this far, (ooh yeah), wid a
Man tran and a fancy car (ooh yeah) never thought success
Would come this quick in the beginning, but I seen it.

And all along Im sitting there thinking its harder when you
Came from the hood, came from the hood. And all I had to do
Was put my mind to it, and realize it was all good, it was all
Good. Because one I got ridda what help me down, just believe I wasnt turning
Back, (turning back) I had to keep on moving and a keep on
Grooving, right here on this P-Money track, and so

[CHORUS]

When you hear them calling out Akon, let them keep on
Calling, when you hear the world calling out P-Money, let them
Keep on calling, 'cause we went through hell n back to get
Here, so keep on calling, let me hear ya now, let me hear ya
Now, let me hear just keep on calling.

Keep on calling, keep on calling, just keep on calling, keep on
Calling, just keep on calling, keep on calling,
Just keep on calling, keep on calling.

When you hear them calling out Akon, let them keep on
Calling, when you hear the world calling out P-Money, let them

Keep on calling, 'cause we went through hell n back to get
Here, so keep on calling, let me hear ya now, let me hear ya
Now, let me hear just keep on calling.
