

# Akon, Let's just fall in love

Yeah(2x)

No more wasting time, no, no  
No more excuses, excuses  
Im gonna take into this time, oyeah,  
This picture has never been so clear,  
Sorry that it took so long for me to come around,  
But now that Im here,  
Lets not waste no more time,  
I finally got it right, Im no longer scared  
And its supposed to be that youre right next to me,  
There is nothing to fear,  
So heres a cool idea  
Lets just fall in love, love, in love, love, in love, love  
Lets just fall in love, love, in love, love, in love, love  
There must be a first time for everything,  
Your exceptions to how I feel  
Youll be my first and be my last,  
Lets just fall in love  
Ive never felt this way before, no, no,  
Theres always been confusions,  
Seems like I found your love and now I know,  
This time its for certain,  
Sorry that it took so long for me to come around,  
But now that Im here,  
Lets not waste no more time,  
I finally got it right, Im no longer scared  
And its supposed to be that youre right next to me,  
There is nothing to fear,  
So heres a cool idea  
Lets just fall in love, love, in love, love, in love, love  
Lets just fall in love, love, in love, love, in love, love  
There must be a first time for everything,  
Your exceptions to how I feel  
Youll be my first and be my last,  
Lets just fall in love  
I never thought that I could feel this way,  
Never thought that I could feel this way,  
I never thought that I could feel this way,  
Never thought that I could feel this way,  
I never thought that I could feel this way,  
Never thought that I could feel this way,  
I never thought that I could feel this way,  
Never thought that I could feel this way,  
Sorry that it took so long for me to come around,
