

# Akon, Sorry blame it on me

As life goes on Im starting to learn more and more about responsibility  
I realize everything I do is affecting the people around me  
So I want to take this time out and apologize for things I have done  
And things that have not occurred yet  
And the things they dont want to take responsibility for  
Im sorry for the times I left you home  
I was on the road and you were alone  
Im sorry for the times that I had to go  
Im sorry for the fact that I did not know  
That you were sitting home just wishing we  
Could go back to when it was just you and me  
Im sorry for the times I would neglect  
Im sorry for the times I disrespect  
Im sorry for the wrong things that Ive done  
Im sorry Im not always there for my son  
Im sorry for the fact that I am not aware  
That you cant sleep at night when I am not there  
Because I am in the streets like everyday  
Sorry for the things that I did not say  
Like how you are the best thing in my world  
And how I am so proud to call you my girl  
(Bridge)

I understand that there are some problems  
And I am not too blind to know  
All the pain you kept inside you  
Even though you might not show  
If I can apologize for being wrong  
Then its just a shame on me  
Ill be the reason for your pain and you can put the blame on me  
Chorus

You can put the blame on me (4x)  
Said you can put the blame on me (3x)  
You can put the blame on me  
Sorry for the things that he put you through  
And all the times you didnt know what to do  
Sorry that you had to go and sell those packs  
Just trying to stay busy till you heard from Dad  
And you would rather be home with all your kids  
As one big family with love and bliss  
And even though Pops treated us like kings  
He got a second wife and you didnt agree  
He got up and left you there all alone  
Im sorry that you had to do it on your own  
Im sorry that I went and added to your grief  
Im sorry that your son was once a thief  
Im sorry that I grew up way too fast  
I wish I wouldve listened and not be so bad  
Im sorry your life turned out this way  
Im sorry the FEDS came and took me away  
(Bridge)

Im sorry that it took so long to see  
They were dead wrong trying to put it on me  
Im sorry that it took so long to speak  
But I was on tour with Gwen Stefani  
Im sorry for the hand that she was dealt  
For the embarrassment that she felt  
Just a little young girl trying to have fun  
Her daddy should never let her out that young  
Im sorry for Club Zen getting shut down  
I hope they manage better next time around  
How was I to know she was underage  
Enter 21 you know the club they say  
Why doesnt anybody wanna take blame  
For rising back out disgracing my name

Im just a singer trying to entertain  
Because I love my fans Ill take that blame  
Even though the blames on you (3x)  
Ill take that blame from you  
And you can put that blame on me (2x)  
You can put that blame on me  
And you can put that blame on me
