

# Akon, Where Would We Go

I don't care what they say baby im gon b with u  
out in hawaii thats because i will always stay true  
because ur my one girl that makes my head swirl cause i'm in love with u  
baby cant u see this is the way it was supposed to be  
it not that hard its easy as one two three  
just say that u love me  
cuz' baby this is my sunny day just listen to what i say  
I dont want to be on the block no more havin' to hear about people that got sprayed  
so baby no more delay this is my sunny day who would've though that i would see this day know i h  
cuz not a damn thangs changed except me i don't know if that was the way it was supposed to be  
just listen to what i sing cuz i love u more than everything  
all we got to do is hop on the plane and go to hawaii cuz  
cant u see thats the way it was supposed to be because u mean more than me than i think u can see
