## Al Green, All I Need

I wanna tell you one last time, all I need Don't want no fussin', don't want no cryin' You're everything to me All I need, all I need, all I need Let me say you're All I need, all I need, all I need Once over and again for the last time Something very wonderful is on my mind Can I say it twice? All I need, all I need, all I need All I need, all I need, all I need

We can work it out with no delay
We don't have to fight nor take all day
Hear me now, hear what I say
Hear my plea because
All I need, all I need, all I need
I don't need nobody else
All I need, all I need, all I need
All I need, all I need, all I need
All I need, all I need, all I need
All I need, all I need, all I need
