

Al Green, Lean On Me

Some times in our lives, we all have pain, we all have sorrow.
But, if we are wise, we know that there's always tomorrow.

[Chorus:]

Lean on me, when your not strong, and I'll be your friend,
I'll help you carry on. For it won't be long, 'till I'm gonna need
somebody to lean on.

Please, swallow your pride, if I have
made, you need to borrow. For no one can feel those of your
needs, that you won't let show.

You just call on your brother when you need a hand, we all
need somebody to lean on. I just might have a problem that
you'll understand, we all need some body to lean on.

[Chorus]

You just call on your brother, when you need a hand, we all
need somebody to lean on. I just might have a problem that
you'll understand. We all need someone to lean on

If, there is a load, that you have to bear, that you can't carry,
I'm right up the road, I'll share your load, if you just call me.

Call me
