

Alabama, Clear Water Blues

Clear water blues
Thinkin' of you
Sittin' here fishin'
Catchin' a few
Spendin' my days
Just tryin' to lose
These clear water blues

Clear water blues
Driftin' along
Nowhere to go
Now that you're gone
My lonely heart
Don't know what to do
With these clear water blues

Lookin' out across the ocean
Blue is all I see
And it seems like no matter
How far I go
Your memory just won't
Set me free

Clear water blues
Won't leave me alone
Keeps on remindin'
Me why you're gone
My reflection
Is showin' a fool
In these clear water blues

Clear water blues
Still thinkin' of you
Sittin' here fishin'
Catchin' a few
Spendin' my days
Just tryin' to lose
These clear water blues
These clear water blues...
