

# Alabama Shakes, I Ain't the Same

Well, I've been going through the motions  
Wonder if anyone can see  
That I been looking for something  
Have you been looking for me

I ain't the same no more  
In fact I have changed from before  
No, you ain't gonna find me  
Oh no, cause I'm not who I used to be

Well, I used to be a little girl  
Just a smiling, feeling free  
I wasn't worried bout nobody  
Nobody worried bout me

But, I ain't the same no more  
You'll find I have changed from before  
No, you ain't gonna find me  
Cause I ain't who I used to be

I said I'd never grow old  
I can't remember how that used to be  
I find myself without the power  
I find myself without the glory

Listen! I ain't the same no more  
You'll find I have changed from before  
You ain't gonna find me  
Oh no, cause I'm not who I used to be  
Oh, no, no, I ain't who I used to be  
Oh, no, no, I ain't who I used to be  
Oh, no...
