Tell you 'bout a dream that i have every night
Tell you 'bout a dream that i have every night
It ain't kodachrome and it isn't black and white
Take me for a fool if you feel that's right
Well i'm never on my own but there's nobody in sight

I don't know if i'm scared of the lightning
Trying to reach me
I can't turn to the left or the right
I'm too scared to run and i'm too weak to fight
But i don't care it's all psychobabble rap to me

Tell you 'bout a dream that i have every night
It's in dolby stereo but i never hear it right
Take me for a fool well that's alright
Well i see the way to go but there isn't any light

I don't know why i'm scared of the lightning
Trying to reach me
Help me to find what i don't wanna know
You're taking me there but i don't wanna go
I don't care it's all psychobabble rap to me
Psychobabble all psychobabble
Psychobabble all psychobabble
I don't care it's all psychobabble rap to me

You're readin' my mind you won't look in my eyes
You say i do things that i don't realise
But i don't care it's all psychobabble rap to me
Psychobabble all psychobabble
Psychobabble all psychobabble
You're lighting a scene that's faded to black
I threw it away cause i don't want it back
But i don't care it's all psychbabble rap
