

# Alan Walker, Darkside (feat. Au/Ra and Tomine Harket)

we're not in love  
we share no stories  
just something in your eyes  
don't be afraid  
the shadows know me  
let's leave the world behind

take me through the night  
fall into the dark side  
we don't need the light  
we'll live on the dark side  
I see it  
let's feel it  
while we're still young and fearless  
let go of the light  
fall into the dark side  
fall into the dark side  
give into the dark side  
let go of the light  
fall into the dark side

beneath the sky  
as black as diamonds  
we're running out of time  
don't wait for truth  
to come and blind us  
let's just believe their lies

believe, I see it  
I know they you can feel  
no secrets worth keeping  
so fool me like I'm dreaming

take me through the night  
fall into the dark side  
we don't need the light  
we'll live on the dark side  
I see it  
let's feel it  
while we're still young and fearless  
let go of the light  
fall into the dark side  
fall into the dark side  
give into the dark side  
let go of the light  
fall into the dark side
