

Alan Walker, Ok

It's so uncomfortable at times
Finding it so hard to say I'm broken (again)
The things we never talk about
I'm a bit afraid to let you know it

When I told you it was fine
It was just another lie
Just like boys don't cry

Lost in the threads
Of a little spiderwebs
Got me hiding in a corner
Trying not to call it
This is how the heart breaks
Just like you said
A fairy tale from hell
Thanks to everything you told me
Even though I'm only... (Imma)
Imma be OK

Saying boys don't cry

Lost in the threads
