

Alan Walker, On My Way (ft. Sabrina Carpenter & Farruko)

I'm sorry but don't wanna talk
I need a moment before i go
It's nothing personal

I draw the blinds
They don't need to see me cry
Cause even when they understand
They don't understand

so then when i am finished
I'm all about my business
and ready to save the world
I am taking my misery
can't be everybody's favorite girl

so take aim and fore away
I've been never so wide awake
no, nobody but me
can keep me safe
and I am on my way
the blood moon is on the rise
the fire burning in my eyes
no, nobody but me
can keep me safe
and I am on my way

lo siento mucho, pero me voy
por que a tu lado me di cuenta que nada soy
y me cansé de luchar y de guerrear en vano
de estar en la linea de fuego soy humano
y tu no vez que lo Hago por que te amo

por ya no tengo mas na que hacer qgui
me voy ilego la hora de partir
en mi propio camino
saguiré lejos de ti

so take aim and fore away
I've been never so wide awake
no, nobody but me
can keep me safe
and I am on my way
the blood moon is on the rise
the fire burning in my eyes
no, nobody but me
can keep me safe
and I am on my way
