

# Alan Walker, Sweet Dreams (ft. Imanbek)

You're like the mist in the morning  
You're a moment, body warming  
I can't resist where you're going  
Make me an ocean, overflowing

Sweet dreams of your love  
Keeping me up  
Can't get enough  
Sweet dreams of your touch  
Do what you want  
Just keep i tup

Waves as they're rolling  
As they're growing  
Can't control em  
Caught in a haze up on the ceiling  
You got me feelong  
I must be dreaming

Sweet dreams of your love  
Keeping me up  
Can't get enough  
Sweet dreams of your touch  
Do what you want  
Just keep i tup

To the rhythm of the beat
