

Alan Walker, The Spectre

hello, hello
can you hear me?
as I scream your name
hello, hello
do you need me?
before I fade away

is this a place that I call home
to find what I've become
walk along the path unknown
we like, we love, we lie

Depp in the dark
I don't need the light
there's a ghost inside me
it all belongs to the other side
we like, we love, we lie

hello, hello
nice to meet you
voice inside my head
hello, hello
I believe you
how can I forget
