

# Alan Walker, The Spectre

hello, hello  
can you hear me?  
as I scream your name  
hello, hello  
do you need me?  
before I fade away

is this a place that I call home  
to find what I've become  
walk along the path unknown  
we like, we love, we lie

Depp in the dark  
I don't need the light  
there's a ghost inside me  
it all belongs to the other side  
we like, we love, we lie

hello, hello  
nice to meet you  
voice inside my head  
hello, hello  
I believe you  
how can I forget
