Album: Jagged Little Pill

Ooh, ooh, ooh...

I, recommend getting your heart trampled on to anyone, yeah

I, recommend walking around naked in your living room, yeah

Swallow it down (what a jagged little pill)

It feels so good (swimming in your stomach)

Wait until the dust settles

1-You live you learn, you love you learn

You cry you learn, you lose you learn

You bleed you learn, you scream you learn

I, recommend biting off more than you can chew to anyone

I certainly do

I, recommend sticking your foot in your mouth at any time

Feel free

Throw it down (the caution blocks you from the wind)

Hold it up (to the rays)

You wait and see when the smoke clears

(repeat 1)

I, I, oh, oh

Wear it out (the way a three-year-old would do)

Melt it down (you're gonna have to eventually, anyway)

The fire trucks are coming up around the bend

(rpt 1)

You grieve you learn, you choke you learn

You laugh you learn, you choose you learn

You pray you learn, you ask you learn

You live you learn
