

# Alanis Morissette, On my own

Why do I feel it's all up to me to see that  
everything's right and it's how it should be  
Why don't they just leave me alone  
I've got to prove I can  
Little girl with stars in her eyes they've  
got her all figured out and there's nowhere  
to hide why can't they all see who I am  
when will they understand  
It may take some time they don't know how  
it feels because they can't read my mind  
They always say I'm too young and they  
feel they should help me  
But I can make it all alone out here on my own  
Every day I feel so in demand and all I  
wish I could find is a place I can land  
One day I'll feel comfort inside cause I'll  
know who I am  
I can hold the line if I know in the end  
that I won't be left behind I don't regret  
what I've done I don't think you can blame me  
Now I'm standin' all alone out here on my own  
I'm not thinking 'bout leavin' home  
But I need to be on my own  
Doesn't mean I have a heart of stone  
I won't even ask them why  
I can't ever let them see me cry  
Here I'm standing all alone out here on my own...  
out here on my own  
Feeling lost in a world full of lies  
I can't help thinkin' that love is just  
passin' me by Hold on to what I believe  
and keep an open hand  
Can I have it all if there's no one to  
turn to when I stumble and fall  
Is there a secret I need because no one  
has told me-all alone  
It may take some time cause I know  
how it feels to have a lot on your mind  
I'll never feel all alone cause!  
Know that I have me  
Now I can make it all alone out here on my own
