

# Aldo Nova, Heart To Heart

There's a girl in the street, you should see the tears in her eyes  
'Cause she weeps for a man who told her lies  
And the man that she loved left here for somebody new  
And the girl, she dreams that if only they could've seen  
Heart to heart, oh, eye to eye, love is a lie  
Heart to heart, oh, eye to eye, love is a lie  
One day he's gonna pay  
There's a man down the street you can't see the pain in his heart  
And he weeps, for a love that he has lost  
And the man left a love to go and find somebody new  
Like the girl in his dream now if they only could've seen  
Heart to heart, oh, eye to eye, love is a lie  
Heart to heart, oh, eye to eye, love is a lie  
One day she's gonna pay, one day she's gonna pay  
Heart to heart, oh, eye to eye, love is a lie  
Heart to heart, oh, eye to eye, love is a lie  
Heart to heart, oh, eye to eye, love is a lie  
Heart to heart, oh, eye to eye, love is a lie  
One day they're gonna pay  
One day they're gonna pay  
One day they're gonna pay  
One day you're gonna pay
