

Alec Benjamin, At the Bottom

tryna get to the bottom
tryna get to your heart
but I don't but I don't but I don't
where to start
at the bottom
and I've been kept in the dark
I don't but I don't but I don't
where to start
no matter what I find
I'll never leave your side even at
at the bottom
you try to get to the bottom

Tell me is it something that i said
That made you turn the other way in bed?
in this bad
you've been whispering words
under your breath
push I knew the thoughts inside
in your head in your head
