

# Alec Benjamin, Nancy Got A Haircut

Nancy got a haircut  
She looks really nice now  
Walkin' with a light strut  
Drawin' all the eyes, how nice  
Oh, how nice  
Nancy's got a new dude  
Pullin' all the fellas  
Girls are doin' voodoo  
'Cause they're getting jealous, my  
It must be nice  
To be Nancy

But nobody knows what it's like to be  
Scrutinized like you're on TV  
Nobody knows what it's like  
To be Nancy

Nancy's got a hard life  
Winnin' isn't easy  
Even if it's part-time  
Even when it's sleazy, I  
Think I would die  
If I were like Nancy  
Had to do what she does  
Dressin' up all fancy  
Fightin' off her freedom, I  
Think I would die  
I wouldn't wanna be Nancy

But nobody knows what it's like to be  
Scrutinized like you're on TV  
Nobody knows what it's like  
To be Nancy

Oh-oh  
Oh-oh-oh  
Oh-oh  
Oh-oh-oh-oh  
Oh-oh  
Oh-oh-oh-oh-oh

But nobody knows what it's like to be  
Scrutinized like you're on TV  
Nobody knows what it's like  
To be Nancy
