

Alec Benjamin, Older

I'm not prepared for the future
so many things that I just don't know
I cut my hair, bought a new shirt
new pair of shoes and
it's time to go
I finally found an apartment
sign a lease on the car this month
I can't go back to the start now
time doesn't slow down
I am on my own

guess my childhood is over
now I am taking down my posters
and I am putting all my things inside a box next to a toaster
that's my closest thing to closure
I can't stop this roller coaster
I am not ready to get older
I am not ready to get older

guess my childhood is over
now I am taking down my posters
and I am telling all my friends
we'll get together next October
that's my closest thing to closure
I can't stop this roller coaster
I am not ready to get older
I am not ready to get older

never thought I'll be 20
now 30 don't seem so far away
I know I gotta make a little money
then maybe find somebody
to call my own
I am ready but I can't go back in time
I know it's all out of my control
know I know

guess my childhood is over
now I am taking down my posters
and I am putting all my things inside a box next to a toaster
that's my closest thing to closure
I can't stop this roller coaster
I am not ready to get older
I am not ready to get older

guess my childhood is over
now I am taking down my posters
and I am telling all my friends
we'll get together next October
that's my closest thing to closure
I can't stop this roller coaster
I am not ready to get older
I am not ready to get older
