

Alec Benjamin, Six Feet Apart (Quarantine Song)

they say distance is relative
and relative to relatively close
I'd say I am relatively close
to breaking down
because right now
I feel so alone
I've been missing the elements and
wishing the elephant in the room
would leave and kindly close the door
I can't ignore
him like before
not anymore

oh, I miss you most at
six feet apart when you're
right outside my window
but can't ride inside my car
and it hurts to know
just how lovely you are
and be too far away
to hold but close enough to break my heart
I miss your smile
feels like miles
six feet apart

so far, so far bbut so close
like a star, out in the cosmos
can't touch, the beauty I see
that's how it all feels to me
so far, so far bbut so close
like a star, out in the cosmos
can't touch, the beauty I see
that's how it feels at 6 feet

(druga zwrotka)

so, I miss you most at
six feet apart when you're
right outside my window
but can't ride inside my car
and it hurts to know
just how lovely you are
and be too far away
to hold but close enough to break my heart
I miss your smile
feels like miles
six feet apart

so far, so far bbut so close
like a star, out in the cosmos
can't touch, the beauty I see
that's how it all feels to me
so far, so far bbut so close
like a star, out in the cosmos
can't touch, the beauty I see
that's how it feels at 6 feet
