Alesha Dixon, Knockdown (K-Gee Heat remix)

When I lay it all out on the table Don't know what is stopping me From feeling like I might be able To enjoy my own company Sitting up by my window Watching the summer rain The world is moving faster Than I am in it today

Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now
Woo woo woo
Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now

Oohh yeah I got the feeling
That something could happen now
Ohhh I got the feeling
That something could happen inside my life now
And have you ever asked why you've been here before
Cos only you have the power to carry on through that door

Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now
Woo woo woo
Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now
