

Alesha Dixon, Radio

Pop rock, rhythm & blues,
Anything you got,
I don't have time to choose,
Big speakers, I'll sing along,
Last request dj, I need a song,

He can't break my heart,
If I can't hear a word,
I can't hear a word

Don't say it now
I'm turning up the radio
I'll drown you out
Cos I don't wanna let you go
Anything to make you forget
Cos my heart can't let go yet
Don't say it now
I'm turning up the radio

Choose, get me, frequency
If i find signal, maybe you won't leave
Headphones, cover my ears,
Keep smiling, fight back the tears,

He Can't Break My Heart,
If I Can't Hear A Word,
I Can't Hear A Word

Don't say it now
I'm turning up the radio
I'll drown you out

Cos I don't wanna let you go
Anything to make you forget
Cos my heart can't let go yet
Don't say it now
I'm turning up the radio

I'm turning up the radio
ah Woah oh oh oh
Woah oh oh oh
Ra-a-di-o

ah Woah oh oh oh
Woah oh oh oh
Ra-a-di-o

I'll drown you out,
Don't say it now
Cuz I'm turning up the radio-o

Don't say it now
I'm turning up the radio
I'll drown you out
Cos I don't wanna let you go
Anything to make you forget
Cos my heart can't let go yet
Don't say it now
I'm turning up the radio
