

Alessandra, Best Year Of My Life

Spent my last quarter on a new bike
Downhill rode it fast to the seaside
I felt the ocean wash over my hands

Mom and dad had the very last big fight
Two homes and now I gotta pick a side
Took a moment but now I understand

Maybe I've cried
Maybe I've laughed
And maybe it's sad
It was the best year of my life

Yeah I've been so mad
I've been so reckless
But when I look back
It was the best year of my life

It was the best year of my life

I lost touch with some old friends
We grew apart, guess it happens
But I met people I'll never forget

I broke hearts til they broke mine
Made love in the moonlight
I've done things I'll never regret

Yes I've been a mess
Been a fool
And tears did fall
But then again at least I felt it all

Maybe I've cried
Maybe I've laughed
And maybe it's sad
It was the best year of my life

Yeah, I've been so mad
And I've been so reckless
But when I look back
It was the best year of my life

It was the best year of my life
The best year of my life
