

Alessandra, Ready To Love Again

I think of the things we've said and
done now that our love is on the run
I'll do anything to get you back cause
baby I love you.

I'm sorry if I ever made you sad, you
are the best thing I ever had, I want
you to know you're still the one
cause baby I need you.

I wanna be there to hold you when
the rain falls around you together,
forever, this was meant to be

Baby before I blow it just give me a
chance to show it, this time we can
make it to the end if you're ready to
love again.

I think of the world we used to know.
All of the places that we used to go.
I'd do anything to be there now
cause baby I miss you.

I wanna make you see, baby this was
meant to be. I'm ready to love again.
I'm ready to love you. This time we
can make it to the end.
