

# Alessi, Forever

Don't explain yourself  
Doesn't matter reasons why  
I'd just as soon you leave it never said  
I'd just as soon you go  
I can feel your sympathy  
And there's pity in your eyes  
Well, do you think you mean  
So much to me  
Do you think I'll die  
Well you go and you play  
But don't ever think a minute  
That you took my love away  
Well I know I said a lot  
Of things  
But forever really means  
Until the day ends  
And that's tonight, it's gonna  
Be tonight  
I've been turned around  
And unsure of what to do  
But like nature's streams that  
Wash away  
We must let it through  
Now you just can't disguise  
There's a hardness in your eyes  
And we'll never know how  
Much we had  
Until it's far behind  
Well you go and you play  
But don't ever think a minute  
That you took my love away  
Well I know I said a lot  
Of things  
But forever really means  
Until the day ends  
And that's tonight, it's gonna  
Be tonight  
Oh! And I'll remember the days I spent with you  
I'll remember the days I spent with you  
Never to lose, never never love...  
Never never love...  
You go, you play  
But don't ever think a minute  
That you took my love away  
Well I know I said a lot  
Of things  
But forever really means  
Until the day ends  
And that's tonight, it's gonna  
Be tonight  
I know I said a lot  
Of things  
But forever really means  
Until the day ends  
I know I said a lot  
Of things  
But forever really means  
Until the day ends  
I know I said a lot  
Of things  
But forever really means  
Until the day ends  
I know I said a lot  
Of things

But forever really means  
Until the day ends
