

# Alex Clare, Caroline

Leave your back door open for me and I  
Put your keys in under the door on time

Seems we've been waiting for a long time  
My delay surely will be? a crime  
You know? that we can do anything  
I know that you can do everything  
You said that we should try many things  
Let's make an hour so we can do everything

I can find a way to make you love me more than you do  
Caroline  
I don't want to waste my time unless I'm loving you  
My dear  
Caroline, Caroline, Caroline

We had each other for to short awhile  
You caught my soul with your gentle smile  
I can swim in your eyes  
Rest my lips up on your sweet, sweet  
You know just how I feel for you  
I know that my love is true  
I'mma tire, I'll just steal and loose  
Just let me do what I want to do

I can find a way to make you love me more than you do  
Caroline  
I don't want to waste my time unless I'm loving you  
My dear  
Caroline, Caroline....Caroline

I've tried all I can  
There's no getting through  
Hope you get all you deserve  
and some happiness to  
I'm sure there's a better man  
Somewhere waiting for you  
But if he doesn't come along  
You know I'll be waiting here for you

I can find a way to make you love me more than you do  
Caroline  
I don't want to waste my time unless I'm loving you  
My dear  
Caroline  
I can find a way to make you love me more than you do  
Caroline  
No I don't  
I don't wanna waste my time unless I'm loving you my dear  
Caroline, Caroline, Caroline, Caroline no oh Caroline
