

Alex Clare, Relax My Beloved

Relax my beloved,
don't worry for me.
Don't shed a tear for me,
always be near for me.
Be comforted my love,
don't bow you head for me.
Promise you'll smile for me,
don't ever cry for me.

You know these walls,
they may fall down,
but I'll still hold on to you
at heights higher than you'd imagine me to.

Then maybe again we would weep like we've done a thousand times before.
Don't turn your back on me or shout as you walk out the door,
no no no no

Just be still my heart,
only a moment away
In the next room,
or at the break of day

And I will walk once again,
to see your face again
And I hear every word you'd have to say

Then maybe again we would weep like we've done a thousand times before.
Don't turn your back on me or shout as you walk out the door, no no no no no

Then maybe again we would weep like we've done a thousand times before.
Don't turn your back on me or shout as you walk out the door, no no no no no no.
