

Alex Clare, Where Is The Heart?

This ain't a song that I should write for you
Lately I'm just into verse,
As dedicated as something new
And I know where is the heart in this,
You left this taste on my tongue
If that's all that takes my sense,
I'd catch it on a breeze and fill my lungs

And where is the heart in this,
I don't know, I don't know
Where is the heart in this,
I don't know, I don't know

This isn't something I wanna sing about
Don't wanna give away too much,
It's been so long since I last fall out
And you know I think about you constantly
Perhaps I should collect my things and kick myself out.

And where is the heart in this,
I don't know, I don't know
Where is the heart in this,
I don't know, I don't know

No this is not the song.
These are not the words that I thought
I would write down for you,
But I feel like I have to,
I guess you still got me asking
I know you still got me asking

Where is the heart in this?
I don't know, I don't know
Where is the heart in this?
I don't know, I don't know

I don't know..
