## Alex Harvey, Boston Tea Party

Chorus Are you going to the party? Are you going to the boston tea party?

Redcoats in the village Theres fighting in the streets The indians and the mountain men, well They are talking when they meet The king has said hes gonna put a tax on tea And thats the reason you all americans drink coffee

## Chorus

Fire in the mountains, flames upon the heath And the president spits out the news Hes biting on wooden teeth The children of the colonies Got a different tale to tell Im going down to the city Tell my folks Im doing well

Chorus

Bringing back the buffalo to the long prairie Bringing back the fishes swimming in the sea The children of the colonies Got a different tale to tell Im going down to the city Tell my folks Im doing well

Chorus
